EXPERIENCE

Wellcare Nurses and Staffing, East Orange, NJ

Human Resources and Business Development Intern | June 2026 – August 2026

- Maintained records, credentials, and time-tracking logs for 100+ employees, keeping files compliant with client and state regulatory requirements.
- Represented the company in meetings with NJ Retire Ready and Alice on employee benefit integration; authored implementation plans for leadership.
- Assisted leadership in streamlining workflows and office organization by co-producing 8 onboarding videos with the HR team.
- Sourced nursing candidates through 300+ outreach calls, generating nearly 30 qualified applicants and 15 interviews.

The Child Study Center at Rutgers, Newark, NJ

Research Assistant | September 2024 – September 2025

- Managed and cleaned data for 357 participants in a two-year longitudinal behavioral study, logging 150+ hours of behavioral coding in Datavyu to convert recorded observations into structured datasets.
- Co-authored a research poster that won 2nd place in the Undergraduate Research Project category at the 2025 Rutgers Newark Honors College Showcase.
- Collaborated with principal investigators to refine data-collection protocols across 3 sessions.

Priority Health Associates (Dr. Sujatha Muppala), Edison, NJ

Part-Time Student Medical Assistant | July 2022 – March 2023

- Managed high-volume front-desk operations for a busy primary care practice: 40+ inbound calls daily, insurance verification, and appointment scheduling, while maintaining accurate patient records.
- Initiated appointments by checking vital signs, preparing exam rooms, and performing EKGs under physician supervision.
